Our School Vision

With Christ as our centre point and inspiration, our children will thrive and be empowered to positively contribute to the world.

Caring Learning Growing: Every Child; Every Day

In light of the Gospels, we commit to establishing authentic relationships and collaborative partnerships to maximise learning for ALL.

School Overview

Ss Michael and John's is a Foundation to Year 6 co-educational Catholic School in the Ss Michael and John's Parish Horsham, in the Diocese of Ballarat. The school is located in the CBD of Horsham attracting families and students from the city area and rural surrounds of Horsham. Due to the deterioration of the original convent, where the school was located, the school site was fully redeveloped throughout 2009 and 2010.

Ss Michael and John's acknowledges and supports the role of the family in the life of the growing child. We provide a supportive environment where all families are made to feel welcome and valued.

In offering a quality education in keeping with Catholic Tradition, we provide a safe and caring environment that nurtures the individual development of each child as they are encouraged and supported to reach their full potential.

We offer a modern educational facility that has been designed to support and enhance the learning environment for today's children. All staff continue to be supported by professionals from the Catholic Education Office, Ballarat and outside educational consultants to ensure that we provide the best possible learning environment for all students.

We have forged strong links with the Parish which we continue to nurture and accept the role that the school has in the life of the Parish by encouraging all staff and students to be actively involved.

School Improvement:

Areas for improvement as identified in the school review of 2014 that we continue to develop and implement.

All professional development must link explicitly to one of these goals that the school has identified.

- To deepen and strengthen the student's experience and understanding of Catholic teachings and traditions
- To improve writing and reading standards across the school
- To improve mathematics standards across the school
- To strengthen student capacity to be independent, interdependent and engaged learners
- Build student resilience, empathy and leadership in the school community
- Enrich student engagement by building positive and effective learning relationships
- To strengthen role clarity and communication across the school community
- Strengthen the performance and development culture of the school to effectively build and sustain the learning community
- To gather data on Parental Engagement using the Parental Engagement Toolkit from CEOM to evaluate and identify opportunities for development

These goals as set by the school review process have provided the school with a clearly articulated direction for the 4 years of the review process.

Principal's Report

As I write this, I find myself reflecting on the last 7 years. The students that graduate this year walked in the door a lot smaller than they are today, bright eyed and unsure of what school was all about and it was certainly a lot easier to spin them a yarn. Both our Grade 6 graduating students and I were unsure of the journey ahead of us, but here we both are 7 years later. The first group to graduate that started at Ss Michael and John's at the same time as me; more importantly the first group who only know our building.

Change is inevitable and sometimes it happens so slowly and in small ways that we hardly notice. Sometimes, however it is big and its impact is felt by many. At this end of the year we farewelled Mrs Judy Reid. Judy is retiring after 35 years of service to Catholic Education and to the children of the Ss Michael and John's and St Patrick's, Nhill.

Mrs Catherine Grace has accepted the position of Acting Principal at Our Lady Help of Christians, Murtoa for 2018. Unexpectedly we also farewell Mrs Bush. Heather applied for and been granted 12 months leave and will join Mrs Grace at Murtoa for the 2018 school year.

There were many celebrations throughout the year. Congratulations to Daisy Sudholz and Grace Manserra on their selection to the Victorian Primary School Cross Country and Netball teams respectively. Well done to Daisy who finished sixth in the Australian Primary School Cross Country Championships. From all of us at SMJ we wish Grace all the best as she prepares for the Championships in Adelaide in early December.

The greatest achievement this year has to be the cover over the basketball court. This has been a huge combined effort from the parent community and the school.

Five staff: Mr Rowe, Miss Perkins, Mrs Hausler, Mrs Bush and Mrs Haase partook in the Leading for Learning leadership program offered by the Catholic Education Office in Ballarat.

The Catholic Education Office made available to two professional learning days with Tom Hierck. Tom is an education consultant from Vancouver in Canada. Under Tom's guidance we reviewed our school Vision and Mission statements ensuring they link to our school mantra: Caring, Learning, Growing: Every Child, Every Day.

Mrs Robertson, as Religious Education Leader, travelled to the Holy Land with a group of educators and parishioners from the Diocese. Anna found this a much rewarding experience and came back with renewed understanding of the Gospels as seen through the eyes of Jesus. Mr Rowe, Miss Perkins, Mrs Bush, Mrs Haase and Mrs Hausler participated in the Leading for Learning leadership training provided by Catholic Education Ballarat. They completed a project that focussed on improving our meeting structures and the way in which we work together.

Catholic School Culture

Goals & Intended Outcomes

- To deepen and strengthen the student's experience and understanding of Catholic teachings and traditions

Achievements

Our Mini Vinnies group continued their good work throughout the year. In developing a better understanding of the needs of families in the Horsham region, contact was made with the Salvation Army. This enabled the children to understand the needs of the families who seek support from the Salvation Army. As a result of this the group set about raising money to purchase doona covers for children whose families find themselves homeless.

Anna Robertson travelled to the Holy Land with a group from the Diocese that included parishioners and teachers. Anna found this to be a very valuable and worthwhile experience with many insights to share on her return.
