

Ss Michael and John's PS Supervision of Students Information for Parents

Playground supervision for children at Ss Michael and John's is provided from 8.30 am each morning and at recess and lunchtime breaks. After school supervision is provided until 3.40 pm at the McLachlan Street gates. No formal supervision of the playground occurs outside those hours.

Recess and Lunchtime supervision times:

10.25 am ~ 10.40 am when the children come inside to eat.

1.55 pm ~ 1.40 pm when they come inside to eat.

Children who travel on both town and country buses and who attend After School Care are supervised at the Roberts Avenue gate. The children are required to be registered to travel on the bus and the staff member on duty checks the children onto the buses each afternoon.

The children who travel on the country bus are transported to the bus terminal at Horsham College where supervision is provided by the College and the local Primary Schools as timetabled. Please note that students from Ss Michael and John's PS travel on all buses with students from other schools.

Information of bus arrangements (ie students from other schools will use the same bus) and that students will only be supervised while getting off the bus in the morning and while waiting and getting on the bus in the afternoon.

Supervision of children on school excursions and camps are in line with the Catholic School Operational Guide.
